

Dzogchen Community UK Membership Form

Membership of the Dzogchen Community is both our commitment to the teachings as well as the practice of generosity. The life of the Community and Kunselling are vital and unique resources for the survival of the Teachings and the development of our practice. Apart from specific fund raising activities, we rely on membership fees and generous donations for all of our running costs and overheads.

Members receive free newsletters and online copies of the Mirror as well as discounts on the cost of accommodation at retreats. In order to participate in many Community activities, including the use of Kunselling as a retreat facility, membership is required. Members receive voting rights at AGM's and EGM's after 3 full and continuous years of membership.

Membership of the Dzogchen Community in the UK includes membership and benefits of Merigar (our Western European Gar in Italy). Lesser discounts are also available to Merigar members attending retreats in other parts of the world. 45% of all membership fees from Lings in Western Europe go to Merigar in order to provide the webcast infrastructure, publications archives and many other community facilities of the Gar.

Membership Options

We have a variety of different membership packages that are mainly your way of choosing how much you would like to contribute to the Dzogchen Community but they also give various discounts. If you can please consider becoming a global or meritorious member to give more support to the community. You do not have to become more than an ordinary member but please remember we depend on people applying the principle of generosity, as explained by Chogyal Namkhai Norbu, to make running the Dzogchen Community possible.
